Veterans and Family Members Alliance

In memory and in dedication to Lieutenant Commander David G. Anderson, USN, Retired

Today December 19th, 2019 the American National Union of The United States of America offers an Alliance to all non-active US military Veterans.

The purpose of this offer is to create an alliance between non-active US military Veterans, and the Continental Army of The United States of America.

The reason why we are offering an alliance with the American National Union is our very existence is under threat of Sharia Law, Communism, Satanism, and all forms of human rights violations.

Those whom will assist in these efforts can contact below websites, and those whom can protect our American future, you are thanked in advance!
