Discussion on a translator for the ANU.

- After the creation of the pope and Vatican's conquest to create chaos to implement a one world new world order, created a dogma language of banking, to manipulate the public with private talk that those not affiliated with the Vatican and the pope would not comprehend the secret language being communicated back and forth the securities market.
- ANU seek people to learn how to translate to communication for comprehension of what is being said that way there is no secret communication being transmitted and proves intent within foreign associations.
- Reference Justinian Deception (Hidden Foreign Text Known as Dog-Latin) The Mother of All Deceptions: The Concept of Modern Slavery.
* An Account of "Grammatical Crimes" of Corporate Governance, courts and enforcement agencies by the use of DOG-LATIN: a "debased" criminal immoral foreign written language that renders all such DOG-LATIN documents, tendered by such corporate private governments, as "counterfeit". DOG-LATIN is unhyphenated all uppercase Latin symbolic text that follows the grammatical rules of English and not the grammatical rules of Latin. It is the language of the Illiterate, (Black's Law Dictionary 4th Edition) it looks just like English, "IT LOOKS JUST LIKE THIS" but grammatically, it is the deception right under your nose... It is the poison in the text, it is the corruption in the contract.

Discussion on member talents and qualifications so members can volunteer for their respective Sub-Unions in the ANU.

Discussion on new ANU DOT (Department of Transportation) page.
