**Dear Sir,**

**We Officers wish to introduce our unique American National Trucking Union. Many members of the trucking industry find new hours of service regulations to be a severe hindrance, in addition to other issues.**

**We invite professionals to share their views and learn about our unique Union and its rights. The American National Union and The Government of The United States of America originate prior to the Constitution of 1789.**

**This is an invitation to send representatives to attend an ANTU meeting.**

**Best regards,**

*Sean Beller*
