Interim Chairman – Sean Beller:

- **Sean brought up this issue of ‘servitude’ by trucking union persons. It has become a requirement. The driver/operator is not being compensated as they should. He gave examples of certain criteria to accomplish at certain locations when delivering or pick up a load to**

carry. Sean was not paid for that servitude. Sean signed his name to documents as trustee. The people on the other end, shipper, was asking for initials and did not want a signature or trustee signed on it. Sean has been refused to put LL and C which takes the driver / operator out of the equation of loading the truck. They many times want the driver / operator to load the truck. Sean does not want to get out of trucking. The intent is to make things better, not to deal with useless things that no pay is given.

- **Sean makes a motion: SERVITUDE**
 - **“No person or people, no driver or operator shall be subjected to ‘servitude’ without ‘just compensation’ as a condition of employment or law. ‘Just Compensation’ is hereby defined as acceptable payment by all parties involved regardless of jurisdiction within the metes and bounds, and seaward boundaries of The United States of America, and the ANTU hereby adopts the Universal Declaration of Human Rights, The Law of Nations, and the Law of Armed Conflict, and**

All people, drivers or operators bringing forth a bill of lading from a shipper or receiver with time documented subjecting servitude or detainment of people, operator or driver is

sufficient in proving servitude. If detainment is beyond one and half hours it is servitude, and

All people, drivers or operators that bring forth a bill of lading from a shipper or receiver with time documented subjecting servitude or detainment of people, operator or driver is sufficient in proving servitude, and

If a bill of lading is not available, an affidavit shall be submitted to the ANTU interim secretary or secretary at that time for verification to the Continental Public Bank as evidence of subjection to servitude for just compensation in any jurisdiction.

- **Penalty of breaking this is as follows.**
 - **Those in the union who do not comply shall be exiled.**
 - **Those not in the union who not comply would be committing a 'Human Rights violation' of slavery under UHRD.**
 - **Detention is included in this as being detained. One hour and a half will be given before detention becomes an issue.**

- **Discussion was held on the enforcement. Deregulation of Trucking was discussed as well. 3.2 million less trucks would be needed if one deregulation took place. Rates would increase and 'servitude' would increase. Sean feels the US is attempting to revalue work compensation again.**
- **Discussion was held that documentation should be done to hold them liable under Human Rights violation and send a bill to them for the violation. If they do not pay, then the person violated could turn it in for labor back dollars.**
- **Discussion was held that our by-laws can be amended to reflect this and part of the enforcement will be the members following through on Human Rights Violations and Civil Rights Violations to process.**
- **Admin. Insert after the meeting: John Mark Adams found the process to file a Human Rights Violation. It has been noted below.**
- **The how to hold accountable is as follows:**
 - **What happens when a Human Rights Violation is filed with the Human Rights Tribunal?**

- **Write out an affidavit and submit on the Human Rights Violation site at <http://humanrightsdefenders.international/report-a-human-rights-violation/> ; and**
- **Show valid documentation of paper work for proof, have ready for screen share, or e-mail to whomever you are told to send it to including the interim secretary or secretary of the ANTU; and**
- **After a case is filed with the Tribunal, the Clerk issues a case number; and**
- **Then Claimant will go to the following link to fill in necessary data to make the claim internationally published in The American Herald. See link. http://americanherald.org/?page_id=1976**
- **The Claimant makes sure all respondents are served either through the mail or notary presenter; and**
- **The respondents are served three (3) times within 30 days; and**
- **If there is no response from the respondents, a motion is**

heard declaring the existence of human rights violations; and

- **The declaration goes to the treasury for a Declaration of Value; and**
 - **Last, the Declaration of Value goes to Governor for signing a Writ of Execution.**
-
- **Amendment of by-laws from the motion is on the floor.**
 - **The motion from Sean Beller was passed and carried.**
 - **Discussion was held on how members represent ANTU and all Human Rights before their peers.**
 - **Sean Beller made a second motion to add the words regardless of jurisdiction, metes and bounds wording to the previous motion. The motion passes and carries. This is reflected above in the first motion.**
 - **Sean Beller makes a third motion. The ANTU hereby adopts the Universal Declaration of Human Rights, The Law of Nations, and the Law of Armed Conflict. The motion passes and carries. This is reflected above in first motion.**
 - **Sean Beller makes a fourth motion. All people, drivers or operators that bring forth a bill of lading**

from a shipper or receiver with time documented subjecting servitude or detainment of people, operator or driver is sufficient in proving servitude. If it is beyond one and half hours it is servitude. This is reflected above in writing for the process in reporting the violation.

- **Sean Beller adds a fifth motion to combine with motions 1 through 4. If a bill of lading is available, an affidavit shall be submitted to the ANTU for verification to the Continental Public Bank as evidence of subjection to servitude for just compensation in any jurisdiction. This is reflected above in first motion. Sean wants the motions to come before the National Assembly and the ANU for passing as well.**
- **Sean Beller makes a 6th motion. The motion is that “All operators and drivers that work solely in The United States of America, and the ANTU shall print out a copy of this document at this link <http://nationalgreatregistry.generalpostoffice.international/images/c/ca/20170807-SOS-Letter Assuming Authority Post Office Post Road.pdf> ;
and carry it in the commercial motor vehicle during operations at all times.**
- **Sean Beller makes a 7th motion to ask Neal Cornett to be the liaison delegate for all other unions to bring forth their voting outside of ANTU business hours to the interim ANTU office holders during office hours. Neal accepted verbally if there is no conflict with his current National State**

government office. Neal would like a paper with what this position does, etc.

- **John Adams asked to study the By-Laws so he can explain how voting works overall, and specifically. He hopes to bring that back next week.**
 - **Sean Beller asked that a document be created to be updated continually for all Approved Motions, Approved Amendments of by-laws, and Approved Resolutions by Category. John Adams will work on this and report back.**

- **Sean Beller makes an 8th motion. That the “Hold Harmless” document created and shown to the assembly during this meeting be brought to the National Assembly and ANTU for their blessing or correction.**
- **Much discussion was held on the words legal and lawful.**
- **Admin. Insert: On Monday the 29th of April, Genoa Holdings, PMA talked about these two words having a problem during the National Assembly. Thus the ANTU is still waiting on final approval of this “Hold Harmless” document.**
- **All 8 motions made by Sean Beller passed and carried.**

Interim Deputy Chairman – James O’Neill:

- **James O’Neill reports that he set up a new e-mail account for the ANTU. It is now**

antu@generalpostoffice.org It was set up for outreach and the Linked-In account. James sent out the official letter to OIDA – President Todd Spencer.

- James put in a request to Linked-In with their Help Desk to set up an ANTU account correctly.
- James suggested that a Supply Union be set up through the ANU. He also suggested we find a mfr. of firearms for protection of ourselves, all those who have come into the union, and protection of the union. James made a motion that all interim officers help contact firearms mft. to come on the ANU call to discuss and help implement. Discussion was held. The motion was seconded. The motion passed and carried. [After the meeting insert] **Since this meeting, James introduced this idea to the ANU and it was decided by the Legal Dept. that each person is on his own right now in this area.**

Interim Secretary – John Mark Adams:

- **John Mark Adams brought fourth two weeks of minutes to share screen with.**
 - **Those minutes were presented and approved for permission to use the Chairman and Deputy Chairman's signatures at the proper place at the end of the minutes from this point forward.**
 - **Next meeting we will have two weeks of minutes to report and that should catch us up.**

- **No new members joined since last week**
- **It was asked that the ANTU review the minutes of 4/20/2019 and 4/27/2019 next week as that would catch us up to date.**
- **Johnny Rowe has been contacted on ANTU certificates of memberships, ID, and business cards. Admin. Insert: **John Mark Adams heard from Johnny Rowe on 5/2/2019 as a follow-up. Greg Simmons has to vet and approve the list to release to Johnny to process.****
