Now comes, Maurice Johnson to issue a Public Apology to Judge Alice Tracy of THE CIRCUIT COURT FOR THE SIXTEENTH JUDICIAL CIRCUIT KANE COUNTY, ILLINOIS, in denying her political right to choose a government, by stating she was citizen of the United States of America Inc., when asking “What government do I belong to?”

Therefore, the Human Rights Defender is withdrawing the administrative arrest of Alice Tracy and other court officers or any pleadings issued whether on the human rights defenders behalf by consent or otherwise.

Further, Mr. Johnson does have a driver’s proficiency card and as such is able to travel within the metes and bounds of all 50 States of The United States of America under its laws and as an Affirmed American National of the Government of The United States of America.

It further does not recognize any non-court of record or court of record established and funded by the country of Manhattan Island in any one of the United States.

In Honor and Respectfully Noticed to the Public,
